

Algebra

Unit 6 - More Functions and their graphs

Vocabulary due: _____ (6 points)

59. absolute value

62. scaling

60. translating

63. step function

61. reflecting

64. piecewise function

Lessons

Homework

67. Graphing Absolute Functions and their
Shifts

Worksheet

68. More absolute value functions

Page 387

#4, 6, 8, 16-19

69. Graphing Piecewise and writing functions
Given their graphs
