

Vocabulary Homework Choice Board

English 8--Updated for 2014-2015

Whenever you see “Vocab Choice #1” or “Vocab Choice #2” on the homework board, you may choose from the menu below. You may choose each item only one time each week.

You MUST always write the vocab list # and choice # on the header of your homework, if you want to receive credit.

<p>Use any resource at home to find other words that have the same prefix, suffix or root word as the vocabulary words.</p>	<p>Cut pictures or words from old magazines or newspapers that represent the meaning of the vocab words.</p>	<p>Write the words and definitions artistically.</p>
<p>Draw and color pictures that represent the meaning of each of the vocabulary words. Make sure the actual word and definition accompanies the pictures.</p>	<p>Make a Vocab Four Square (These count as both Choice #1 and Choice #2!)</p> 	<p>Write the words and definitions of the vocab words in your best cursive.</p>
<p>Use each vocab word in a sentence that you have not already used. Be sure that your sentences prove you know the word’s meaning (use legitimate context clues).</p>	<p>Tell a parent/guardian the definitions of the vocab words and have them write a note stating that you told them. Notes must contain a header and be signed by a parent.</p>	<p>Create a short story using all the vocab words.</p>

Please note that student exemplars (best student examples from the past) have been provided to you. Use these as a reference, if you need to. We have the highest of expectations when it comes to the **effort and content** you put into these homework assignments.
